FIERCE FIRE, THIS.

Burned for Two Hours and Gutted Three Floors.

\$100,000 Damage in a Big Wooster Street Building.

burned building is engine house No. 13. Fireman Tom Ward was on the night atch when, looking out of the window big building opposite was afire. From a window on the third floor,

creat tongue of flame had shot out and the building.

minute every fireman in the house stream had been turned on the fire the entire third floor of the building was LASSEN'S GRAY SUFFOCATED. stream had been turned on the fire the urning, and the flames were rapidly ating into the air-shaft, which is in the centre of the building.

Chief Magill arrived with the first en nes, and on seeing the extent of the e, sent out the second alarm. This brought Chiefs Lally and Rellly, who ent out a third and a fourth alarm. Lines of hose were run up the fire-esape of the burning structure and from

udings nearby. ng order when suddenly a cloud of lack smoke swept up between the building and the firemen. A sharp report

of.

Two large noise had been working in the street near the curbing on the south side.

Tkness of the night for some time They are a few feet apart, and are pro-

got mixed up with the wheel of Chief Bresiln's carriage. The shaft was broken and the horse, making a violent lunge, broke the harriess, and ran up the street. Fireman Webb stopped the animal just as it was about to dash into the crowd and then its extent could be realized.

The fire was under control at 4 o'clock and then its extent could be realized.

Each floor occupied by two firms. The fire started in the rooms on the hird floor occupied by Zimmerman & Tlashner, makers of women's skirts. On the same floor is F. A. Strauss, women's undergarment maker. The fourth floor is occupied by Marx Bross and I. Heiliger, makers of lace caps and hats. The fop floor by J. H. Steinhart, cords, and J. H. Iscaver & Co., women's garments.

These three floors were gutted.

The floors beneath were damaged little by fire, but a great deal by water. The floors beneath were damaged little by fire, but a great deal by water. The same three floors are occupied by the American Straw-Board Company, the har street is the building elect.
